Who We Are

Visions of Hope is the Children and Youth Ministry of the Center for Community Transformation (CCT) Group of Ministries, a Christian Development Organization implementing holistic and transformational programs and services among poor and marginalized communities all over the Philippines.

Visions of Hope dreams to one day see young people live and embrace their God-given purpose, reach their full potential and ignite their passion leading them to participate in decisions and actions that will affect their lives and become productive citizens of the country.

Areas of Operation

We believe that every child is a vision of hope. As such, we invest in raising the next generation to transform our nation and impact the world.

To date, Visions of Hope operates across the Philippines serving nearly 3,000 children and youth from various poverty sectors.

Our Beneficiaries

- Street children, neglected, abandoned, abused, at-risk and orphaned children
- Out-of-school and disadvantaged youth
- Children of marginalized families from the poorest of the poor sector
- Children from tribal communities
